

Early Intervention Summer Workshop

A Training Program
for Parents of
Children, ages Birth to
Three Years Old, Who
Have a Visual
Impairment

June 11-13, 2012

Overbrook School
for the Blind
6333 Malvern Avenue
Philadelphia, PA
19151
www.obs.org

The Summer Workshop day sessions teach parents how to work with their children during the critical first years so that they develop to their fullest potential.

Sessions include: Literacy, Play, Sensory, Daily Routines Orientation and Mobility, Student Panel, Parent Advocacy; including Expanded Core Curriculum and National Agenda.

There is a \$10.00 non-refundable registration fee to attend the workshop. Please join us for this memorable event!

For more information please contact Durrae Delp-Ducret EIO Program Coordinator at (215) 877-0313 X 369 or ddelp@obs.org FAX: (215) 878-8491 Please mail, email or fax the Registration Form by 4/12/12
