The EI Parent Group is an ongoing gathering of parents/guardians raising toddlers with special needs. The group will share in discussion and activities as we explore a video series together on key aspects of early childhood development called *"The Magic of Everyday Moments, Seeing Is Believing"* video series by Zero to Three.

The EI Parent Group will run for approximately 40-45 minutes, with the final 15-20 minutes to include a fun and interactive story time for the children, lead by the children's librarian. Parents/guardians should bring snacks, and toys to keep their children occupied during the parent group.

The Northeast Regional Early Intervention Collaborative & the Clifton Public Library assume no responsibility for child care or personal possessions
